

**Building Access:** You may enter the Idea Center in one of two ways:

- ♦ Enter the building at the rear entrance on Dodge Court across from the parking garage. When you enter the building from Dodge Court, you will be on the lower level of the Idea Center. The security staff will direct you to the workshop location. (Use this entrance if entering building before 8:30 a.m.)
- ♦ Take the covered walkway from the second floor of the Playhouse Square Center parking garage, and walk through the Bulkley Building arcade to Euclid Avenue. Turn to your right when you exit the arcade onto Euclid Avenue, and enter the Idea Center through the front door. Take the elevator to the lower level.
