

TABLE OF CONTENTS

Table of Contents	i
SMART Math Course of Study Project	ii
Organization of the Document	vi

Introductory Materials

Introduction	1
SMART Stretch Goals	2
The Integral Links - Mathematical Processes	3

Essential Focuses

Number and Operations	5
Algebra	7
Measurement	9
Geometry	11
Data Analysis and Probability	13

K-12 Progression Through the Content Standards

Number and Operations	15
Algebra	22
Measurement	31
Geometry	36
Data Analysis and Probability	46

Concepts: Kindergarten - Second Grade

Introduction and Research	57
The Integral Links - Mathematical Processes	64
Kindergarten	65
First Grade	70
Second Grade	75

Concepts: Third - Fifth Grade

Introduction and Research	81
The Integral Links - Mathematical Processes	91
Third Grade	92
Fourth Grade	98
Fifth Grade	103

Concepts: Sixth - Eighth Grade

Introduction and Research	109
The Integral Links - Mathematical Processes	119
Sixth Grade	120
Seventh Grade	126
Eighth Grade	132

Concepts: Ninth - Twelfth Grade

Introduction and Research	139
The Integral Links - Mathematical Processes	148
Ninth Grade	149
Tenth Grade	155
Eleventh Grade	161
Twelfth Grade	167

State/SMART Comparison Tables

State/SMART Comparison - Kindergarten	173
State/SMART Comparison - Grade One	179
State/SMART Comparison - Grade Two	186
State/SMART Comparison - Grade Three	192
State/SMART Comparison - Grade Four	199
State/SMART Comparison - Grade Five	206
State/SMART Comparison - Grade Six	213
State/SMART Comparison - Grade Seven	219

State/SMART Comparison - Grade Eight	224
State/SMART Comparison - Grade Nine	230
State/SMART Comparison - Grade Ten	236
State/SMART Comparison - Grade Eleven	242
State/SMART Comparison - Grade Twelve	247

Resources

Glossary of Terms	252
References	270
NSF Mathematics Curricula Summaries	271
National Grade-Level Implementation Centers	277
